Letter No A S-C 545/47-48 dy 10-11-47 from the Dy Commr, Kolar Dt, requesting sanction to the acceptance of the tender of Mr Narayanappa for the prepaton of cycle badges in the Kolar town mly during the year 1947-48 at annas three per badge as against the lowest tender for annas two & pies six per badge

1) The lowest tender received from Mr Lakshmiah was for Rs 0-2-6. Mr Narayanappa was the tendered Contractor for the year 1946-47 at annas three per badge In View of the fact that Mr Narayanappa suffered a loss in the previous year, his tender has been accepted at the last year's rate though there was a tender for Rs 0-2-6

2) The auditors have taken objection to the acceptance of the tender for three annas while there is the lowest tender for annas two & pies six

3) The Mc at have passed a resolution accepting the tender for annas three

4) The Dy Commr requests to sanction to the proposal

- submit for orders

CCS 22/11 Rs 22/11/47

1) The objection raised by the auditors is quite correct on principle also, it is not justifiable to have entrusted the work to Mr Murarka who had quoted Rs 3/8/9 while there were other tenderers who had quoted less. At this rate, the benefits of calling for tenders would be entirely defeated by the acceptance of such excess rates.

2) The case may be referred to the Director of Supplies for the action of the Department in having accepted the tender of Mr Murarka though it was not the lowest tender or a special case may be accepted for the D.C. reasons recorded.

3) A agree with the observations at 'A' above.
